

**A GLOBAL REACH WITH A LOCAL TOUCH.**  
DELIVERING SAFE, INNOVATIVE AND SOCIALLY RESPONSIBLE LOGISTICAL SOLUTIONS.

# Industrial Project Logistics Management

Our specialist team will use the creativity and skills obtained from an abundance of experience in the industry. No matter how heavy or oversize, we welcome the challenge.

We are passionate when it comes to the development of logistics strategies for projects of all sizes and complexities. With consulting, planning, preparation and execution capabilities, we offer an integrated approach to ensure that we meet our client's precise schedules.

## Global Project Logistics Consulting

From developing complex logistical strategies including, expediting and pre-shipment inspections and compliance, we have the ability to service components originating from one country or from across the globe through our JC Trans network.

Our Logistics Consultancy services include:

- Full supply chain strategy design and modelling
- Vessel chartering – break bulk and full charter services
- Multi-modal transport solutions
- Heavy lifting studies
- Engineering drawings for transportation
- Route surveys
- Inspections and compliance

Our experienced and reliable team will tailor solutions to the needs of your business, working with you to ensure you meet your goals no matter what the criteria.
