

CHARITY GOLF DAY

2026 SPONSORSHIP PACKAGES

2026 CHARITY GOLF DAY

Partner with Prime Global Logistics for our annual Charity Golf Day at the Maylands Golf Course on Friday, 13 November 2026.

Since 2021, thanks to the incredible generosity of our sponsors, players and supporters, the event has raised over \$300,000 for WA's sick children through Perth Children's Hospital and the Hero Hunter Foundation.

Join this sell-out event, attended by players and businesses from across multiple sectors. Your brand will be featured across promotions and on-course activations, aligned with a meaningful cause and a standout day of connection, impact and community.

2026 CHARITY GOLF DAY

LIVE AUCTION

The live auction and the raffle on the day helps raise additional funds for the Perth Children's Hospital Foundation and Hero Hunter Foundation. We are seeking donations for auction items or experiences, and raffle prizes.

2026 CHARITY GOLF DAY

PROUDLY SUPPORTS

Perth Children's
Hospital **Foundation**

Since 2021, funds raised through the Golf Day have supported the Perth Children's Hospital Foundation (PCHF) Clinical Research Education Fellowship in strengthening clinical trial capacity, driving new hospital-led research, and helping more children access the latest medical advances.

The 2026 Golf Day will continue to support PCHF programs that improve cancer care in WA, including training future paediatric oncologists and researchers, and investing in advanced equipment that enables cutting-edge, personalised treatment. Funds also support Closing the Gap for First Nations children through culturally led research, and expand clinical trial capacity so more children can access promising new treatments close to home.

In 2026, the Charity Golf Day will again support Hero Hunter Foundation's vital work in helping families facing childhood cancer and blood disorders across WA.

The Hero Hunter Foundation supports families of children diagnosed with cancer and blood disorders across WA, providing practical, emotional and financial help when it's needed most – from fresh meals and fuel vouchers to home cleaning, hospital parking assistance and massage therapy for carers. In 2024/25, the Foundation supported 113 families, delivering thousands of meals, hundreds of remedial massage sessions, essential vouchers, home cleans, parking support and garden makeovers – easing daily pressures for families navigating the toughest of times.
